THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Monday

Charles Taylor
Reg# 94236509

Honorable Judge Martha Pucold

I am writing to you, not because I lost a trial last month. I am writing to you to make sure that my rights that I have after that guilty verdict was decided against me, were not, or are not being violated.

I can only go off of what my attorney "Gregory Mitchell" has told me. He mentioned that he verbally during or right after the trial put in some sort of appeal. The thing is I am not being given any info about what appealable rights, or how this process works now that I have been found guilty.

The only contact that I have from my attorney has been brief & by phone only from my end. I have requested the trial transcripts in paper form & have yet to receive them. My request to you is that I am brought back to court as soon as possible for clarification on my appealable rights.

I have know idea how this process works,
I have know idea if theres a time period
regarding any issue that i might have thats
appealable. My attorney havent explained
any of theses things to me. I need your
legal guidance here.

Thank you for
your time!
